YES ! That's what "Goose bumps"
is all about !

You understand now ?!

Would you please, please,
stop doing that around me ?!

As soon as I saw her,
I almost said it.

"I don't want
you here!"

That was
what I really
felt.

The reason
I didn't say
it was ...

Why are
you so pale ?

No, no, it
has nothing to
do with food.
It's my stomach.

Don't you stay
at Zoo-Hyang's
place ?

I don't think
she'd treat you
bad.

Which means
you feel rather
uncomfortable
staying there.

A neighbor
made that.

... It's
so good !

Eat as
much as
you want.

wow !

really

It's really
good ! I never
really liked
these when
I was young
though.

Yum! **dinner**
is a **monster!**

Shi, do you realize you
were out for 2 hours
to get food for dinner?

Wow!
monster!

I felt like
wandering
around and
went as far
as sea food
market.

What did
you buy?

Gigas crab!

Oh... ?? Shi Yi
Do you know how to
cook those?

She told me
to load it with
fermented bean
paste.

That
simple?

Sura's place
surasplace.com

Yeah, so
much!

Good
weather
too!

I didn't think the day
would come when
I could see you off
with ease of mind
like this!

Because the only
way for me to have
an official relationship
with you was to
send you home!

I've been
doing it for
you to come
to my house, but

Did your dad
tell you that?

Yes.

Suffocating was
a major
understatement!

...Just because I said that?

... It was too easy
life should be
careful.

No.

I am 100%
certain now.

After I found
out that
Ryuzo san was
your father,

After I found
out that
Rumiko san's
secret lover was
Ryuzo san,
I realized many
things.

Pieces of ...

... of what?

Something
romantic !

Yes, yes,
should have
known.

No,
Kousaku.

You were once
pleased because
your dad sent
you to Mitsuru
for greeting.

People around you
were having a hard
time but you remained
as cold as steel.

"So, we will get punished."

"Please... just go there and
greet them."

"Please... we beg you."

I don't want to
greet them! Let
him greet them!

"Ahah, so, if the headman
finds out..."

"Ah, no..."

"Yes, we've
arrived but..."

Let's
go

It was a very scary
moment for people
at Mitsuru Inc.
Everyone at the
house was so scared
because of a small boy.

It was your first
time refusing to
greet them, so
everyone was so
confused.

Eventually,
even Lumino can
heard of the event.

Did something
bad happen to her
like yesterday?

She was
pretty
worried.

... That
was a really
long time
ago.

Eventually
he ...

My ... I ...
I ... I ...
I ... I ...
I ... I ...

Just with
that ...
and ...

Let me
down !

Just ...
now ...
in ...
time ...
and ...

You go
greet them,
coward !

Shut up !

Rumiko
can didn't
like cold
weather.

So, she refused to leave
her room unless Ritsuki
happened to pass nearby.

But on that
day ...

She walked
further down
past a garden
pond.

I don't like
going to the
guest house!

Let me
down !

Ryuzo sensei
was waiting
for something...

He was actually
waiting for an excuse,
some sort of event,
to happen so that
he could approach
Rumiko sen.

Yama chan

My face ... is
too pale,
isn't it ?

I've lost too much weight ...

My voice has broken up lately...

I am ... too wasted.

No... that's not true

I can't ... today.

Not today.

Some other
day ...

When I am not like this ...

When I am pretty ...

So ...

I wish ... I know
that they would
never meet
again ...

Since she passed
away a year later...

Don't cry
for her.

You were partially responsible that they didn't get to meet.

Ah ... ?

Not that you mention that, why were you so pissed on that day?

You were never boldly against visiting Mitsuru-ke before.

.....

Regrets

o p

It was because of me ? Why ? Why ?

I am not saying.

I am gonna deep-kiss you until you tell me right here right now in public.

Yes, this is how exactly you abused me on that day ! Can't you remember ?!

Your
doll

I was
shopping for
a replacement.
I was looking
around and

I ran into you
because
Mitsuru he
was also
shopping.

Mitsuru-kun?
Out shopping?

What are
these?

Is Mitsuru
an angry or
something?

Brilliant
appearance

These are ... just
gifts.

Oh, how nice of you!

I envy Matsuri-san.

Take care.

See you on
weekend.

Let's go, Yume.

Ruriko can
feed my doll.

— So
what ?

You don't need
to bury so many
for me.

Yume,
what are
you
doing?

Besides,
I like only
my doll.

E, those are
not yours !

I was right that
Ito-chan was
cute.

You are
not a
robot.

What :

Sura's place

surasplace.com

Yay, that
was the first
time!

I completely
forgot!

That doesn't
count! I was
tricked and
forced!

So, you were
so shy that you
didn't want to
see me.

NO!

Well, the
dolls were
really for
Natsumi.

Yeah, I know.

What?

I did what I did
because I felt like
you'd continue to
ignore me if I didn't
do anything.

My action resulted
the two not being
able to meet...

But my action also
made you fall into
love with me
ultimately.

So,
"something
romantic"
still applies!

You ...

sometimes are
really worse than
wicked witches.

For their sake,
we must not
break up.

Who said I
was leaving
you?

So, Ri-chan,
we must
get married
soon!

I wonder
how the
babies
will like

「おれは
おれは」
おれは

I haven't
done
anything!

Why do I have
to marry
you?!

I want
babies
that look
like you!

No,
never!

My hands are
already full with
a so-called
fiancee and
a lover!

If you feel sorry,
just send me
money.

I know you have
lots of money
since you go out
with only rich
jerks.

When I reach my
legal age next
year, I am going to
move out from
your care.

Because you don't
bother to communicate
with Zoo-Hyang's
parents, I am isolated
in her home.

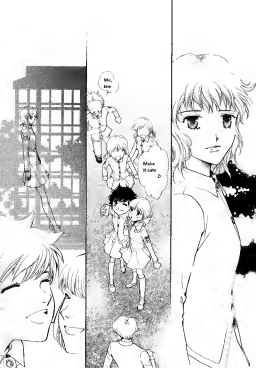

The only and the
least thing you
can do now is
just send me
money.

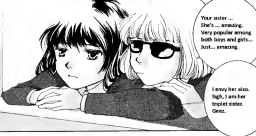

Oh, wait ...
I forgot that
you didn't have
any guilt.
Nevermind.

Mirrah -

Your sister ...
She's ... amazing.
Very popular among
both boys and girls...
Just... amazing.

I envy her also.
Sigh, I am her
triplet sister.
Gees...

Here I am waiting
for a punishment.
And there she is,
all happy and well
after going well with
her boyfriend.

I am gonna
make her
clean the
atmc and
storage !

Triplet
mortality

I am
suddenly
bored.

It's
not?

It's almost 12 o'clock.
Time for the punishment
is near !

What will
happ for a girl
who sang in
a gay bar for ...

And her friend
who work there
to listen to her
sing ?

Have you
seen the
owner oppa
 lately at
the bar ?
I was told
that he hasn't
been visiting
there as often
as he used to.

What I am
worried the most

is ...

The school might send some people over there to the bag, but those at the bar told me that they'd work it out for us.

I... don't know.

No matter what, just don't mention Do-He oppa, okay?

I just want to get out of this situation.

What if you tell it? Don't do that!

I am not saying I'd do that!

What if I tell my friend about it?

Next once has this sort of trouble happened while he was "uncle Sun-Ye" ...

Disappointing him like this ...

Never!

Are you even eating well?

Yeah, it's not
lots of sleep
but I'm not dead
that you are feeling
sleazy?

There are times
that you don't want
to eat even when
it's very large.

But
the more you eat
the better you feel.
That's about
it. It's not really
that of course.
It's just to eat.

Don't you want
to eat more?
I don't think
you're eating
enough.

(Mou)

But if there are
pills that taste
and can chew like
tuna sashimi...
or pizza... or
steak...

Chewing is
important for
you?

You need to keep
tasting food. You
don't want your
tongue to lose its
sharpness of taste.

Why didn't
you eat lunch
with Whta ?

Are you not
talking to her
now ?

I ate with Phillip.
The guy's hurt,
so I had to take
him back also.

I visited Whta's
shop yesterday.

I am sure Whta
wasn't pleased
to see me.

But that shop --
makes me feel
at ease.

It was so warm that
I didn't want to
care what she
might have felt.

Sura's place

© 2000 Shueisha Inc.

When we were kids,
our parents sometimes
gathered and it was
like her shop.

They started to
gather less and
it just stopped.

Well, now we
gather, so it's not
really over. It's just
that we took over,
I guess.

For me, having
started the inline
skate club and running
it was the most
interesting part.

Yes, I was happy
with that.

So I hate more.

I didn't want
immigration.

... What are you getting on about? You came back.

Just think that nothing happened.

Actually nothing really changed. The same inline skate club is here. The same school.

We may not be in the same class, but we are in the same building and you live at Joohyang's place.

... You think so?

Yep!

She is the cool
life just people
that things

I think it's him

Do-He ...

He came to school.

What for though ?

... For me ?

Maria's mother
and Waa's father
are here, teacher
said. They need
you girls.

Ahh ...

So... to
sum it up...

My child visited
a gay bar ?

Um... no,
ma'am, she
didn't visit ...

Then ?
Invited ?

Is there
more ?

D...

DAD ?!

Yes !
It's your
dad !
Daddy's
here !

We haven't
played this since
elementary
school

I, play ?

What did she
do there anyway?
A race strip show ?

No ...

It's been reported
that she sang there...
but the issue here is
that she entered a
place where she was
supposed not to.

They've both
acknowledged that
they went there, so
punishments are
inevitable which was
why parents were
called.

Did she ever get
careless with her
studies meanwhile?
I believe she was
still at last time.

Y, yes, but...
um, it's the
rules. It's ...

Lester,
young
man !

You and I both know
that school rules basically
mean nothing !
All your school want is
higher percentage of your
students entering
university so that you
can beat other

schools !

With my kid's ability, you
know she can enter S university
and help your school to
achieve better scores !

Yet, what have you done for her ?
Are you offering any scholarship to
help her out ? She tried to help
me financially and still studied hard.

(utter silence)

숙연...

He's being scolded?

... The decision
has already been
made. I am here
just to inform you.

What is her
punishment
then ?

The punishment is 3 day suspension. However, owner of the bar visited us which complicated the matter somewhat.

He ... ?

Excuse me.

Unbelievable...

Shame for us.

What is he
saying in
there,
I wonder.

Don't worry
too much. He
already passed
SAT, so they
won't punish
him.

I was really
nervous but
now I feel
content.

It's already
strange that he
owns such a bar.
And he even dragged
us into this.

God must be
disappointed...
I wanted to show
him how good
I've been doing
at school, but
this is ...

It's all
because
of me ...

It's all ...

WHAT DID YOU
DO THAT FOR ?!

You are
back.

So, I guess that's
how you deal
with pressure ?
Basically creating
a seal around you
and mumble.

What?

Those
of things to
do it
don't
know
what to
do.

My room is
a man.

!

Oh, yeah,
she was very
beautiful and...

~~~~~

Mom ...  
Mom ?

I can hear  
your brain  
tick.

It's interesting  
how people  
react to my  
situation.

My home room  
teacher during  
senior year  
at middle school  
asked if it was  
a virgin birth.

I had forgotten  
my dad's face  
for few years.

Tick.

You told me  
that there were  
bad gossip  
around me.

Because I didn't  
say anything.

But you should know  
that I didn't talk since  
they didn't want to  
listen.

And the  
reason I was  
mumbling  
back there  
was -

Because the  
secret got out  
and I was afraid  
to lose a friend...  
or something  
like that.

There.  
Even.

Hmph!

That didn't take  
long for payback.

"A nickname  
obviously.

"Moring!  
Moring!

Ah, morn!

It's all over.  
Don't worry.

What  
happened?  
What did you  
say?

Just some  
white lies.

That everyone  
at the church  
like your song.

That's...  
a big lie!

Anyhow, you are  
going to a singing  
contest. I sent  
an application  
already.

What?!

Can a man  
be a mother?

I suppose she has  
her share of stories.

And I repeatedly told you to  
concentrate on study until you  
get into uni!

Well, she's been  
repeatedly told to concentrate  
on study, but,  
she's a good student,  
that's all  
that matters.

How could  
I cold and  
even beat my  
precious girl ?!

You have no  
idea how hard  
it is for me to  
deal with you,  
my little duck !

It's... hard  
to deal  
with me ?

Mong !

Daddy!

Dad!

Dad!

So, the girls were right!  
That 'Who's father came  
who was awesome.

What happened  
to you?  
Your hair,  
clothes and  
everything.

I had some  
help.

Even learned  
this.

Ah,

Why is

Why is that

A parent

My

They are  
sooo happy.  
I see.

They've  
been like  
that ever  
since.

It's the other

jealous of  
me, I was  
worried.

Just because  
I was jealous,  
would I have to  
do that sort  
of thing ?!

I didn't say  
who it was.

Anyway,  
it's been  
so long.

It's been  
so long  
that I am  
not used  
to that.

It's one of  
those moments  
you want to  
keep as photo.

The best part  
of being a  
father and a  
daughter.

I am not my old self anymore.

I can ...

I can say anything now ...

What are you trying to do? You look all powered up.

Well, go, go! Say it!

It seems ...  
I come here  
often recently.

But I think ...  
this is not busy  
hour, so ...

We have plenty  
of food here.  
You don't need to  
bring this  
every time.

I mean...  
This is the least  
I could do for  
some peace of  
my mind.

You can  
talk freely  
to me.

Do you like it here that much? Last time you were here, you slept for hours.

I... didn't mean to sleep here, but it seems that's what keeps happening.

According to Philip, you lived in America also? I was in New York.

I was in Seattle, not for long though.

Yeah? I lived in New York for so long that it feels like my hometown.

... Yeah?

For me, going there again means the same as committing suicide.

So, it has nothing to do with Seattle's weather.

You had a very bad memory there.

What was it?

Boy friend name?

My mother...

was a kind of woman who could not live without having a man nearby.

OK!

I won't ask further.

When my mother divorced, I followed her to Seattle. I thought she went there for a job.

But she had a new boyfriend there.

As soon as I went there, I lived in a strange man's home.

At that time, I didn't know what was going on.

And then even now I still don't quite understand how an adult life like hers work.

I didn't want to go there in the first place.

But she was my mother and my sole guardian. I had no other choice.

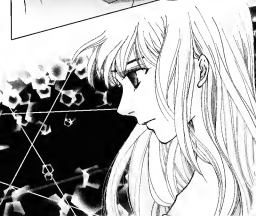

I suppose I should  
thank her for making  
me realize that not  
all parents live for  
their children.

And the  
reason you  
can't sleep  
is...?

Yasha...

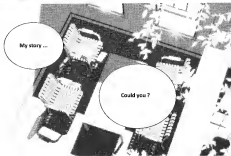

Why is she acting  
like a bitch?

I don't  
think she  
was in  
good  
mood.

Could you  
listen to my  
story?

My story ...

Could you?

I was worried  
that you might  
not come...

What is it  
you want to  
talk about?

Let's go  
somewhere.

I don't have  
much to tell  
you though.  
What I said at  
the school was  
all I had to  
say.

Still, let's go  
somewhere  
and sit ...

You see...  
standing is  
somewhat  
hard for me.

What you said  
at the school...  
is it true ?

Are you  
happy ?

That the bar  
was actually under  
Who's name ?

Do you think  
I would be ?

I do thank you  
for explaining  
it as a family  
situation to them.

And that how  
you made 'Who  
not worry about  
it anymore.

But I don't  
understand how  
it could be.

Well, time for  
even more  
interesting story  
then.

It's true,  
period.

The one you  
call "Witch"  
sold her  
company,

and divided  
her wealth to  
her only family:  
the triplet.

What's even more  
interesting is ...  
when I turned  
18...

I became a caretaker  
of the wealth.

Without my  
permission,  
the girls cannot  
control the wealth.

**I am barely**

able to control  
the wealth I have.

But I am  
not 18 yet.

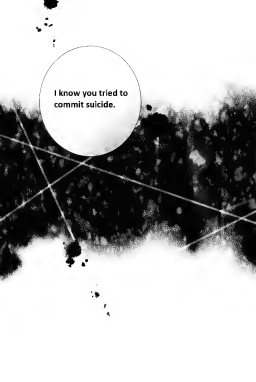

Forever if needed.

I don't need that  
wealth !

"You" don't  
need ?

**I know you tried to  
commit suicide.**

The accident...

It wasn't an accident.

You jumped by your own will. You attempted to end your life and failed.

What ... ?

You gave  
up on  
everything.

Quite  
willingly.

And you dare  
to say you  
were worried?

How  
would  
you ...

Convince  
Wika with  
that ?

That her father  
did not abandon  
her.

Miss... I  
Please stop  
him!

Pardon?

that feature you,  
Philip, and Ritsuki,

There hasn't  
been a new  
episode for  
a while.

The film maker  
is a little busy.  
It will be updated  
soon.

You know,  
a lot of us  
are waiting for  
an update!

You hear that?  
You got fans  
waiting for  
more.

It was you  
who wouldn't  
talk first.

How can  
you be  
sure?

Even you  
could have not  
dared talking to  
angered yourself!

Your eyes were  
full of ire, just  
waiting for a  
trigger to  
explode.

I suppose ...  
I thought you'd  
just talk to me  
jokingly as  
usual.

I did not  
think you'd  
take it  
seriously.

Well...

That is  
becoming  
harder.

You know -

I am  
acted  
as well.

Stop looking  
at me like  
I am going to  
leave you at  
any moment.

If you keep  
looking at  
me like that,

I feel that you  
will leave me  
at any time  
all of a  
sudden also.

When I  
brought  
Ritsuko  
home...

All I thought at  
that moment  
was how to treat  
the guy nicely  
so that he will feel  
comfortable.

Just replace  
him with Mirah  
and thank it as just  
another of those  
cases, please?

I asked her  
repeatedly  
actually.  
She wouldn't  
talk.

Why?

Okay, I will  
try as well.

Marsh, she  
comes to our  
store quite  
often.

She feels  
she can  
depend on us  
for some  
reason.

Although...  
I did try being  
kind.

But it felt  
awkward  
for not  
being myself  
to be honest.

If being kind  
to her is  
enough.

Then I can  
certainly  
try.

I think  
I can do  
that now.

I suppose  
you can also  
understand...

Why I am kind  
to him.

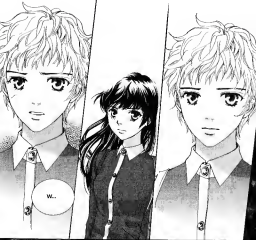

... him?

No-  
the  
work.

W...

I was shocked  
at myself

When I found  
myself speaking  
about him.

I just simply  
felt that...

I was being only fair  
by just mentioning  
him.

The moment  
of hesitation  
is shown...

Five.

I tried to  
take another  
and realize...

I got it.

Which  
would I regret...

For a long  
time in the  
future...

By the way...

I was unable to give this to you during.. the cold war

...A present?

Yume,

Where is she ?

Feel like we  
are being  
followed ?

Grade, just  
acting like  
people don't  
know you.

You should  
have seen this  
coming.

did, well you  
on my  
part.

Why did you have to  
come here too, making  
a big commotion  
like this ?

Happy birthday.

Why isn't Sean  
calling me then?

... Just  
like Yume.

What?

She always forgets  
her birthday and,  
if I don't take care of  
her birthday,  
she blames me for  
forgetting.

Hello?

Hello, there.  
I have some  
info you'd love  
to get your hands  
on.

Who's this?

You know who  
I am. I mean  
I am using the same  
phone number as  
before.

You were looking for  
some info regarding  
a dissolved company  
a while ago.

He-Wihan  
freight company.

What??

The company's  
completely gone.  
And they were  
dissolving it  
progressively  
for a long time.

There are traces  
of what they did  
and how it got  
dissolved  
though.  
Want it?

Price?

"P" character  
lobby info.

There goes my immediate income.

Ok,  
that's a deal.

But it doesn't  
matter.

I am going to  
find you, Witch.

And I am going to  
find out -

Whether the  
horrid stories I've heard  
about her are true or not.

I am old enough to handle this.

All I want  
is confirmation.

Yes, that's all  
I want.

Anyways!

Happy birthday,  
my triplet!

Uh, oh, this is  
not right.

I figured you'd  
be all grown that  
I wouldn't be able to  
hug you all  
together!

Oh, I see.  
There is a duck  
that has been  
left alone.

It's time for you to go back to the hospital! And the candles on the cake are almost gone!

Oh, yeah

Let me close the store first.

I will do it.

It's your birthday. Sit at the table.

Why not?

I can't... just do that. To be honest, I envy you two who can get along with him that easily.

I am getting along to leave no regrets.

I always  
regretted  
not visiting  
Ramiko-san  
often...

Even when I knew  
she was dying.

Regret...

Will I regret...  
about  
something...

That's  
helpful...not  
right now?

I visited  
the hospital.

I thought  
you wouldn't  
come since I  
rejected. Were you  
worried?  
the invitation.

I was  
curious  
rather.

They said you weren't  
allowed to leave no  
matter what, but you  
left anyway due to  
"a special reason".

I have a surgery tomorrow.

If it's not successful,

I see. I figure it's that leg you hurt when you jumped.

Today would be the last day I am able to walk.

I plan to introduce you to the girls after the surgery.

It's time for  
us to *reconnect*.

If you'd like,  
of course.

I know it's late,  
but let us live  
together.

Are you really  
that naive to  
think that a family  
can embrace  
everything?

Abandoning  
a family  
just because  
you didn't  
feel like

Later you  
changed your  
mind and  
brought them  
back.

You were unable  
to sever your  
blood ties.

And in disguise,  
you gave them  
money,  
educated  
them.

At the same  
time, it works  
the other way  
as well.

Family  
members you  
want nothing to  
do with

May hang onto  
you regardless  
how much you  
want them to  
be gone.

Then, why  
would I want to  
go back to such  
a dirty place?

...and one  
day, I'll  
be back  
there.

I see that  
you miss being  
in a family  
because ...

I didn't say it  
was a family.

If you remove  
"Family"  
from the triplet,  
what connection  
do you have left  
for them?

What would  
they want to  
get?

All you have to  
do is just tag  
along.

The reason  
I could not take  
you with me  
at that time  
was -

due to my  
personal  
conflicts with  
the aunt.

The triplet's  
mother  
passed  
away.

And I took back  
my daughters.

And if I took  
even you  
away from  
her.

I strongly  
believed that  
she would  
eventually  
break down.

It had nothing  
to do with  
blood ties at  
that point.

I still don't know  
how you found out  
that I committed  
suicide.

But that is not  
entirely true.

I went there -

To survive.

I needed to  
have my mind  
on the dark  
situation.

I needed  
something  
for myself  
to think

To remind  
myself the  
purpose of life.

...but I didn't lose  
precious  
memories

Forgotten  
memories.

How about those  
who don't have  
such luxury?

Those who  
don't have  
such memories.

Where are  
they supposed  
to go ?

Do you  
regret ...

Your...

entire  
life?

You are standing  
here by your  
own accord.  
I ask, why?

De-Hei!

De-Hei!

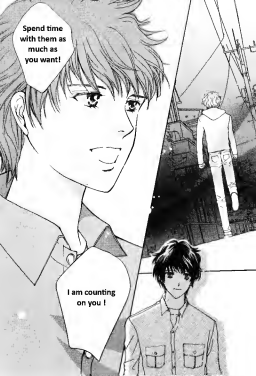

Wherever  
you go, I go  
And yourself  
continue to be  
and -

If you need a  
place to return!

Wherever  
you go -

Be with the  
triplet!

Spend time  
with them as  
much as  
you want!

I am counting  
on you !

It's healed.  
But you must not  
do any heavy  
exercises for  
a while.

And don't skip  
the treatments.

Thanks for  
visiting. It's  
funny to see a  
patient visiting  
a patient.

I am not.  
I am healed  
now!

Can I ...  
do inline?

Of course,  
not! At least  
not until the  
treatments  
are over.

Thanks for the  
help at first.

I thought you  
were just visiting  
the hospital. I didn't  
know that it was  
this bad.

Well, yeah.  
I bet you worried  
about being unable  
to ride skate  
even.

Yeah...  
I was worrying  
about that...  
until yesterday.

Now -

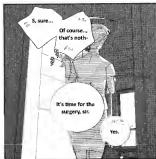

?

You?

I am taking  
your bet on  
now.

Now it's my turn  
to worry about  
being able to  
walk.  
You just keep  
your happy  
thoughts.

And thanks for  
having interest  
in Shi.

I always  
regretted not  
visiting Rumiho  
an often

Even when  
I knew she  
was dying...

I was going  
to ...

say what  
I had ...

in my mind  
for so long...

Where did it  
disappear to...

I mean, my  
decision...

Your  
father's.

She isn't picking  
up her phone,  
and only Aunt  
Sun-je is here,  
so I felt it was  
weird. That's all.

Just what are  
you talking  
about ?

I asked around  
but they would  
not tell me since  
I was not his  
family.

But it doesn't  
look like an  
easy surgery.

That can't be  
true.

네 설마  
몰랐던  
거야?

The triplet's father's operation.  
None of them knew I told him.  
They really didn't know it. - Phillip

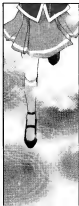

세쌍둥이 아버지.  
모든 것을 알면 정말  
화...화...화... 정말  
맛나 끝없는 동기

Dad...

Really...

I hate him when  
he does this.

I am going to give me  
a piece of my mind  
when I see him.

Wina -

Eh ?  
You...

This route  
should be faster.

I have a cab  
ready outside.

I know what  
you are trying  
to say.

That "if"...  
What if I won't  
be able to walk  
anymore?

I am so scared  
about it.

The last thing  
I want is being  
a burden to  
the girls.

I am very  
scared about  
that.

I  
guarantee  
you that

They will  
be utterly  
disappointed  
to hear that.

Don't  
underestimate  
them.

I am trying to  
do that also.

Room  
507?

Yes, he  
wasn't  
there !

Who,  
Uncle !

He's in an  
operation  
room !

functional.

It's not just 1  
day, it's 1000.

Three days  
later --  
and that's how it is.

And that can  
repeat -- up  
again.

Only to be  
repeated again.

Weather would  
have quite close  
to three in a single  
day.

Nothing with days  
ending.

Yoko

Fired like  
today's such  
a day.

Then...  
My own dream  
your form at one  
point and then after  
for the moment...

Then, it's a little  
dancer.

I do think I saw  
Yoko just before  
I was needed into  
an operation  
room.

Yoko,  
— did come see  
me with a face  
full of ice.

"I — something  
is going to  
happen."

Or so she said.

I think I laughed.  
"I am not going to  
a war."

I think she has started  
to say it for a long  
time.

"The smell  
of drugs."

"It's them. It's  
because of them."

I did like to be bullied by other kids  
because I needed the hospital.

On that day also,  
I was about to go on jogging  
and hoped that ~~it would be my last~~  
to shake off ~~the~~ hospital smell.

On that day, she was  
up earlier than usual and  
made the breakfast.

I refused, telling her  
that I would be late.

Oddly, she continued  
to tell me that she  
was sorry.

It was me who ~~was~~  
here springing, but  
some odd reason, she  
would continue to apologize.

She'd go  
on and on...

I was writing for you.

I was going to tell you...

That it happened.

I came to you after  
and tried to  
wake you brother  
up numerous times.

I... she would  
wake up no  
matter what...

I was so scared  
and, and, to tell someone  
about it...  
I wanted to let out.  
I wanted to cry.

At last...

Ily trembled  
overriding like that...

Feeling her like  
that pulled me.

I... was on,  
I wanted to cry.  
I wanted to cry.

I feel like  
such an  
idiot now.

And,  
feeling  
like that...

At least  
though,  
I caught

That...  
I was able  
to tell her

That...  
I would  
know...

Give them  
by now...  
I should know

Hi,  
sweetie!

What are you  
so sure there  
are no more?

should have  
played with  
them as much  
as possible.

HA HA HA

Surprise!  
Goshen!

Seems...

Why am I so sad...?

What?

Shi!

It's me!  
Are you looking  
at me?

If I had done  
that,

I would probably  
have had one  
more chance to  
tell them that I...

Ah, haha!

I should not linger  
on the past anymore.  
More I linger on the  
past and lament, more  
I need to apologize to  
you, dear.

Perhaps,  
my life would  
have ended so  
fast...

After you leave me,  
I think I've been  
waiting for my  
chance to join you  
eternally.

I think my life has  
not been too bad.

I think I've  
had fun with  
my life.

Don't go, don't  
go, you can't...

Don't go,  
you can't...

I miss the old  
days...
